Meeting Agenda & Highlights

Welcome & Introductions

Opening remarks and a short video on Erasmus+ Strategic Partnerships set the stage for collaboration.

Partners' Presentations

Each partner organization introduced their mission, resources, and strategies for project implementation, highlighting their unique contributions to the 2C4Kidney initiative.

Project Overview

A comprehensive presentation covered project objectives, methodologies, expected outcomes, and financial guidelines. The discussion emphasized the importance of shared decision-making and patient empowerment in CKD care.

Project Preparation

The Management Board and Scientific Committee were established, and communication, monitoring, and reporting procedures were agreed upon. The work plan, evaluation strategy, and dissemination plan were adopted.

Evaluation & Risk Management

The meeting addressed expected results, use of the EPAL platform for dissemination, training activities, evaluation grids, and risk management strategies.

Focus Group

A focus group session involved elderly CKD patients and caregivers from Greece, gathering valuable perspectives to inform project outputs.
